MATERIAL SAFETY DATA SHEET

Product Identity:

SEAL & SHINE

SECTION I. Identification

Manufacturer
Dental Ventures of America Inc.
1787 Pomona Rd., Suite C
Corona, CA. 92880

Emergency Telephone Number:
Infotrack: (800) 535 - 5053
Product Information Number:
(951) 270 - 0606

ORIGINATED: SEPT. 2012

SECTION II. Composition/Information on Ingredients

Generic Description: The intended use of this spray is in dental maintenance.
Use: Acrylic spray sealant for dentures and partials.
The chemical is for professional use only and not used by the general public.

SECTION III. Hazardous Ingredients/Identity Information

CAS-No: EINECS No. Name %* Warning/Risk phrases
80-26-6 201-297-1 Methyl Methacrylate Prop R11; 436/37/38, R43
75-37-6 200-856-1 DYMEL™ Prop R20/21/22

*Percentages of ingredients are proprietary (PROP).

DYMEL™ is a registered trademark of DuPont (1,1-difluoroethane).

SECTION IV. First Aid Measures

General Information: None
Eye Contact: Wash with clean water for 15 minutes, seek medical attention.
Skin Contact: Remove contaminated clothing and launder before reuse. Skin contact wash skin with soap and water. If irritation persists seek medical attention.
Inhalation: Remove individual to fresh air and seek medical attention.
Ingestion: Special instructions for ingestion wash out mouth with one to two glasses of water; do not induce vomiting; see medical attention.

SECTION V. Fire-Fighting Measures

Suitable Extinguishing Agents: Water spray or fog
Static Discharge: The lower explosive limit is 2% and the upper explosive limit is 12%. The flash point is <12C (<52F).
Special Exposure Hazards: Oxides of carbon and nitrogen
Be aware of the possibility of spontaneous polymerizing reaction developing high temperature.
Self-contained breathing apparatus (SCBA) with full protective bunker gear for fire fighters.

SECTION VI. Accidental Release Measures

Eliminate sources of ignition. Wear proper PPE for removal of spill. Use non-sparking tools to recover absorbed spill.
Please keep product out of drains and waterways to protect the environment.
Do not use sawdust or other combustible material to absorb the spill. Contain the spill, collect spill in an absorbent material such as ‘kitty litter’ or other inert material, place in plastic pail or drum for disposal and notify regulatory authorities.
SECTION XII. Ecological Information

This product is not readily biodegradable. Avoid large quantities in streams and waterways. The impact on other organisms has not been determined. Do not throw aerosol container into open fire. Other adverse effects: None known at this time.

SECTION XIII. Disposal Considerations

Dispose in accordance with National Regulations. Please seek advice from the local authorities. Do not mix with other waste materials.

SECTION XIV. Transport Information

UN number: UN 1950
Packing group: None
Land transport: Class 2.1, Risk code: Aerosol, flammable. Name according to bill of freight: Seal and Shine
Other information: Methyl methacrylate is the flammable components.
Sea transport: IMDG class: Class 2.1, Correct technical name: Aerosol, flammable. Other information: None
Air transport: ICAO/IATA class: Class 2.1 Correct technical name: Aerosol, flammable. Other Info: None

SECTION XV. Regulatory Information

Information on the warning label: Keep out of reach of children. Wear proper PPE during application. Thoroughly ventilate treatment area prior to re-entry and/or regarding occupancy.
Letter code on warning symbol and indications of danger for the product.
Names of ingredients given on the label: Methyl Methacrylate, DYMEL.
R phrases: R11, Highly flammable; R21, Harmful in contact with skin; R36, Irritating to eyes; R33, Danger of accumulative effect; R37, Irritating to respiratory system; and R38, Irritating to the skin.
S phrases: S2, Keep out of reach of children; S21, When using do not smoke; S36, Wear suitable protective clothing; S37, Wear suitable gloves; and S46, If swallowed seek medical advice immediately and show the container or label.
SARA Title 313. Toxic Chemicals: Methyl methacrylate
Section 302-304 (30CFR Part 350): Methyl methacrylate
Extremely hazardous substances (EHS) Methyl methacrylate
RCRA hazardous waste: U162
Prop 65: None
Delayed: Y Reactive: Y
Special regulations on certain preparations: HMIS & NFPA
