

Product Identity:

ZAP-FORM PUTTY

SECTION I.

Identification

ORIGINATED: JUNE 2012

Manufacturer

Dental Ventures of America Inc.
1787 Pomona Rd., Suite I
Corona, CA. 92880

Emergency Telephone Number:

Infotrack: (800) 535 - 5053
Product Information Number:
(951) 270 - 0606

SECTION II.

Composition/Information on Ingredients

Generic Description: Dental molding putty.
Use: Industrial
Uses advised against: None

SECTION III.

Hazardous Ingredients/Identity Information

Classification: Regulation (EC) No. 1272/2008 (CLP) Not classified as dangerous for supply/use.
Label elements: Hazard Symbol, Signal Word(s), Hazard Statement(s), Precautionary: None
Mixtures: Regulation (EC) No. 1272/2008 (CLP).
Hazardous Ingredients: Silicone Polymer Contains: Inert Fillers: %WW -, EC No. -, REACH Reg. No. -
EC Classification and Risk Phrases -.

SECTION IV.

First Aid Measures

Eye Contact: If substance has gotten into the eyes, wash out with water.
Skin Contact: If skin irritation occurs, wash skin with water.
Inhalation: Unlikely route of exposure. If symptoms develop, obtain medical attention.
Ingestion: Do not induce vomiting. If symptoms develop, obtain medical attention.
No indication of important symptoms both acute or delayed; as well as no indication of the immediate medical attention and special treatment needed.

SECTION V.

Fire-Fighting Measures

Extinguishing media: Extinguish with water spray, dry chemical or alcohol foam.
Special hazards arising from the substance or mixture: Oxides of carbon, Silicon Dioxide, Formaldehyde
Advice to fire-fighters: Fire-fighters should wear complete protective clothing including self-contained breathing apparatus.

SECTION VI.

Accidental Release Measures

Personal precautions, protective equipment and emergency procedures: None
Environmental precautions, Reference to other sections: None
Methods and material for containment and cleaning up: Transfer to a container for disposal or recover.

SECTION VII.

Handling and Storage

Handling and Storage: None assigned. Store at room temperature
Incompatible materials: Oxidizing agents

Product: **ZAP- FORM PUTTY****SECTION VIII.****Exposure Controls / Personal Protection**

Substance	EC No.	LTEL (8 hr TWA ppm)	LTEL (8 hr TWA mg/m3)	Biological Limit Value Substance	CAS No.	Biological limit Value
None	-	-	-	None known	-	-

Personal protection equipment: Eye/face protection, Skin protection, Respiratory protection: None required under normal consumer use

Thermal hazards: Use gloves with insulation for thermal protection, when needed

Environmental Exposure Controls: None assigned

SECTION IX.**Physical and Chemical Properties**

Appearance:	Paste	Explosive properties:	Not explosive
Color:	Various colors	Oxidizing properties:	Not oxidizing
Odor:	Odorless	Odor Threshold, pH (Value), Melting Point, Evaporation rate,	
Boiling Pt:	>35c	Vapor Density, Vapor Pressure, Density, Insoluble, Auto Ignition Temperature,	
Flash Point:	>101.1c	Decomposition Temperature Kinematic Viscosity:	Specifics are not available.
Flammability:	Non-flammable		
Solubility:	Insoluble		

SECTION X.**Stability and Reactivity**

Stability:	Stable under normal conditions	Possibility of hazardous reactions:	None anticipated
Chemical stability:	Stable	Incompatible materials:	Oxidizing agents
Conditions to avoid:	None	Hazardous Decomposition Product(s):	Oxides of carbon, silicon dioxide, formaldehyde

SECTION XI.**Toxicological Information**

Substance: Not applicable.
 Acute toxicity, Irritation, corrosively, sensitization, repeated dose toxicity, carcinogenicity, mutagenicity, toxicity for reproduction: Not available.

SECTION XII.**Ecological Information**

Data not available.

SECTION XIII.**Disposal Considerations**

Waste treatment methods: Disposal should be in accordance with local, state or national legislation. Consult an accredited waste disposal contractor or the local authority for advice.

SECTION XIV.**Transport Information**

Not classified as dangerous for transport by land, sea or air

SECTION XV.**Regulatory Information**

EU Regulations:	Material does not qualify for any EU Regulations.	Chemical Safety Assessment:	Not applicable
National regulations:	Not established		

SECTION XVI.**Other**

Classification of the substance or mixture: Directive 67/548/EEC & Directive 1999/45/EC: Not classified as dangerous for supply/use.

The data herein relates to the product named and is based upon information that Dental Ventures of America, Inc. believes to be reliable and accurate. No warranty expressed or implied is intended. Users of this product have the responsibility to determine the suitability of use and to adopt all necessary precautions to ensure the safety and protection of property and persons involved in said use. This information is offered solely for your consideration and interpretation.
